Leadership & Execution: Stakeholder Management | Cross-functional Collaboration | Project Management | Presentation | Team Engagement | Problem Solving | End-to-End Execution

PROFESSIONAL EXPERIENCE

MARCOM Head | Dec 2024 – Present

Bharti Airtel Ltd.

- Lead marketing communications and brand visibility initiatives across J&K, supporting business priorities across rural and urban markets.
- Lead integrated campaigns including Airtel Mubarak and engagement-led contests to strengthen Top of Mind Awareness (TOMA), Consideration Top Box (CTB) and incremental business growth.
- Drive end-to-end branding and visibility execution across OOH Campaign, retail stores, warehouses and MARCOM toolkit deployment, maintaining consistent brand standards.
- Digitalised branding-material observation and usage tracking through the Airtel Branding Bot (MarketEye), improving visibility of material deployment and proof of execution.
- Developed digital workflows for Service Camps across J&K to capture observations, customer issues, solutions and execution updates through bot-based processes.
- Implemented GIS-based site maps to enhance rural visibility planning and support location-level market execution.
- Supported high-value upgrades at circle level and contributed to measurable growth through business-focused execution and cross-functional coordination.
- Executed Amarnath Route site deployment and awareness campaign; received appreciation and reward for team collaboration on the initiative.
- Coordinate cross-functional stakeholders across campaign execution, retail branding, events and market-level initiatives, balancing timelines, business priorities, cost and operational requirements.
- Support HR across employee engagement, team-building activities and multiple internal events.

Business Analyst | Feb 2023 – Dec 2024

Bharti Airtel Ltd.

- Supported the COO's Office through business-level metric summarisation, KPI reporting, dashboards, presentations and decision-support insights.
- Prepared KPI dashboards and trackers supporting the Circle in achieving an all-time high of 50%+ Revenue Market Share.
- Conducted secondary research and industry analysis to track KPI movement and support business strategy and policy decisions.
- Maintained risk registers and developed mitigation plans to support business continuity and address operational challenges.
- Managed MIS and reporting for operational insights, loading correction, cost and OPEX agendas.
- Created business presentations, visualisations and management insights for delivery tracking across multiple verticals.

Network Operations / Nov 2021 – Feb 2023

Bharti Airtel Ltd.

- Managed cross-functional projects through end-to-end execution, stakeholder communication, data administration and reporting.
- Worked across teams to understand client issues and requirements, supporting timely resolution and project delivery.

SELECTED ACHIEVEMENTS & RECOGNITION

- Awarded RMS Champions Medal – Upper North, for leading the Circle to 50%+ Revenue Market Share.
- Recognised as “Creative Executive of the Year” at the 15th World Edu Summit 2025, DY Patil College, Pune.
- Appreciated for exceptional contribution in Wi-Fi scale-up and excellence in driving brand visibility.
- Recognised by HUB CEO – Upper North for coordinating major initiatives including AOP Cascade, ECF and Warehouse Launch.
- Invited as a guest panellist at ITS Ghaziabad for the panel discussion “Marketing 5.0: Who’s Really in Charge – AI or Humans?”
- Recognised and rewarded for team collaboration on Amarnath Route site deployment and awareness campaign.
